

WHAT WE DO ?

SCHOLARSHIPS

MDCC PTA/PTSA is pleased to offer scholarships to high school students graduating every school year. This is a one-time scholarship, based on Financial Need, which may be used for tuition, textbooks, and other school-related materials, resources, and fees. Students may be pursuing their education at a college, university or vocational-technical institution.

ADVOCACY

National PTA, Florida PTA, and Miami-Dade County Council of PTA/PTSAs all take positions on issues relevant to **children's education, safety, and well-being.**

REFLECTIONS

The Reflections program provides opportunities for recognition & access to the arts which boost student confidence and success in the arts & in life. Each year, over 300,000 students in Pre-K through Grade 12 create original works of art in response to a student-created theme. This program helps them explore their own thoughts, feelings and ideas, develop artistic literacy, increase confidence and find a love for learning that will help them become more successful in school & in life.
